UFBU/2011

20th December, 2011

To
Mr. D.K. Mittal,
Secretary,
Dept. of Financial Services,
Ministry of Finance,
Government of India,
New Delhi.

Dear Sir,

This has reference to the UFBU's delegation who met you in your Office on 14.12.2011 for submitting our memorandum on the various issues and demands confronting the bank employees and officers. We thank you for the courteous reception and cordial interactions with us on the issues raised by us.

As pointed out by us, we have serious reservations on some of the proposed amendments to the Banking Laws but the views of UFBU have not even been heard by the Government so far.

Similarly, we brought to your attention that while the recommendations of Khandelwal Committee Report are concerning the HR issues in the Banks, the Government and managements of the Banks are proposing to go ahead with the implementation without any reference to the trade unions even though most of the HR issues in the banking sector have so far been evolved under the process of collective bargaining and bilateral discussions. UFBU strongly feels that views of the trade unions are sought to be bypassed and unilateral decisions are being taken on issues which vitally concern the workforce.

We also pointed out that while UFBU fully supports the need for total financial inclusion and the crucial role to be played by the Banks in this regard, the present attempts to achieve the same through private Business Correspondents and contract agencies are wrought with serious risks and not in the interest of the Banks and the public. Similarly, in violation of the bipartite settlement, managements are attempting to outsource and contractualise regular, permanent and perennial jobs in the Banks.

We also drew your attention to the various important issues like revised scheme on compassionate ground appointments / ex-gratia payment, uniform guidelines on staff housing loan / vehicle loan, improvements in bank employees pension scheme on the lines of Government Scheme in matters like quantum of pension, updation, uniform DA formula, commutation formula, quantum of family pension, need for defined working hours for officers, improvement in allocation of funds to Staff Welfare Scheme, 5 days banking, etc. are inordinately pending with IBA / Government and employees and officers feel genuinely agitated over such delay in dealing with their issues.

We thank you for your positive reactions and responses and your assurance that the Government would be willing to discuss all these issues with UFBU in a smaller forum to understand our viewpoints better and to find possible solutions including on Khandelwal Committee Recommendations.

We had urged upon you that while we would be ready to extend our co-operation to find amicable solution through discussions, the process needs to be expedited. We had also requested you to advise the Banks not to proceed with implementation of Khandelwal Committee Recommendations pending such discussions with UFBU.

Once again thanking you for receiving our delegation and accepting our memorandum and we look forward to hearing further from your office.
