Dear Sir,

**Reg: Discussion on pending residual issues**

**1. Further discussions on Pension updation and other related issues:** We are thankful to the IBA for initiating the discussions with the Unions on 22-07-2021 on pension updation and other pension related issues. During the discussion, we had submitted our suggestions on the issues to be discussed. We had also requested IBA to convene a physical meeting so that the issues can be discussed further in details. We shall thank you to advice the Sub-Committee to fix up the meeting at the earliest.

**2. Discussions on other pending residual issues:** Further to the signing of the 11<sup>th</sup> Bipartite Settlement on 11<sup>th</sup> November, 2020, a round of discussions took place on 10-12-2020 on the residual issues and Minutes were also signed covering the issues discussed. There is a need to continue the discussions on these issues to reach some amicable solution on the same. Hence on the pending residual issues covered by the Minutes, other than pension issues, further discussions have to take place. For this also, we request IBA to fix the meeting at the earliest.

Thanking you,

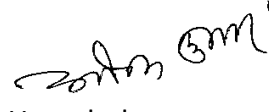

Yours faithfully,
