

Precautions to be taken during Cash Remittances

1. For remittances of Rs. 50 lacs & above only cash vans should be used. Hired vehicles are not permitted for such remittances. A train or bus may be used in case bank does not have own vehicle, such remittance should be escorted by the police.
2. Same taxi or car should not be hired again & again.
3. Cycle rickshaws may be utilised for small distances and in those stations only where other mode of transport is not available in which case amount of remittance should not exceed Rs. 2 lacs.
4. Remittances are permitted to be carried on foot upto an amount of Rs. 1 lac for short distance (only in rare cases, if other mode of travel is not available).
5. Two wheelers are banned for carrying any remittance, however small the amount may be.
